In Memoriam

Rhea Frantz

The Class of 1965 would like to pay tribute to Mrs. Rhea Frantz, who passed away on January 7, 1964.

Mrs. Frantz taught English and Latin in the Philipsburg-Osceola Area Schools for eight years. Those years are fond memories for many of us.

We, her students, remember her as a dedicated teacher, who was sincere, understanding, and helpful. Her colleagues loved and admired her sense of humor, friendliness, and genuine loyalty to her profession.

The gifts of love and faith and kindly deeds,
She spread upon the earth like magic seeds
And grew a garden lovely as the dawn
With shining paths that we may walk upon
A garden that will bloom forever bright
When in wealth and fame have withered overnight.

CONGRATULATIONS are in order for the senior class of 1965 of the Philipsburg-Osceola Area High School.

You should experience joy at this time for having reached the first milestone in higher education, and the horizon should appear bright to you as you anticipate and plan your future. Though I know not what your destiny will be, I do know the only ones among you who will be really happy are those who have sought and found how to serve, how to live peacefully with your fellowman, and the true meaning of loyalty and integrity.

Each of us as human beings is intended to possess a character of our own. We must mold and nurture this possession until we are what we wish to be. We, as your instructors, have done our best to help you mold the character which is intended for you and the man or woman you may become depends greatly on how thoroughly you have absorbed and followed the training received from your parents, your teachers, your church, and your community.

The world of **TOMORROW** depends on your generation. We have confidence in you and feel that success will be yours if you will face the years ahead with courage and forthright determination to win.

Junior Rotarians

Each year the Rotary Club of Philipsburg issues an invitation to the senior class of our high school to send representatives to their weekly meetings. This honor is designated to the seniors on the basis of scholastic achievement, citizenship, and participation in extra curricula activities. The final selection for this honor is handed down by the faculty.

The seniors that are finally selected, a boy

and a girl, attend the weekly meetings for a month. The students are accepted as regular members and at the end of the assigned month they give a brief talk about their family, ambition, and their impressions of adult community life.

The Junior Rotarians from the class of 1965 (pictured above) attended the Rotary meetings in the following order:

Pure As The Driven Snow

All eyes are on Nellie, the beautiful cloak model as she begins to reveal the story which will lead to the destruction of that wicked villain, Mortimer Frothingham.

Thespians must be willing workers in all aspects. They must be prepared to handle a paintbrush, hammer, or ruler as well as a script. It must be remembered that for each actor on stage, there are approximately nine or ten persons working backstage.

Not a friend around

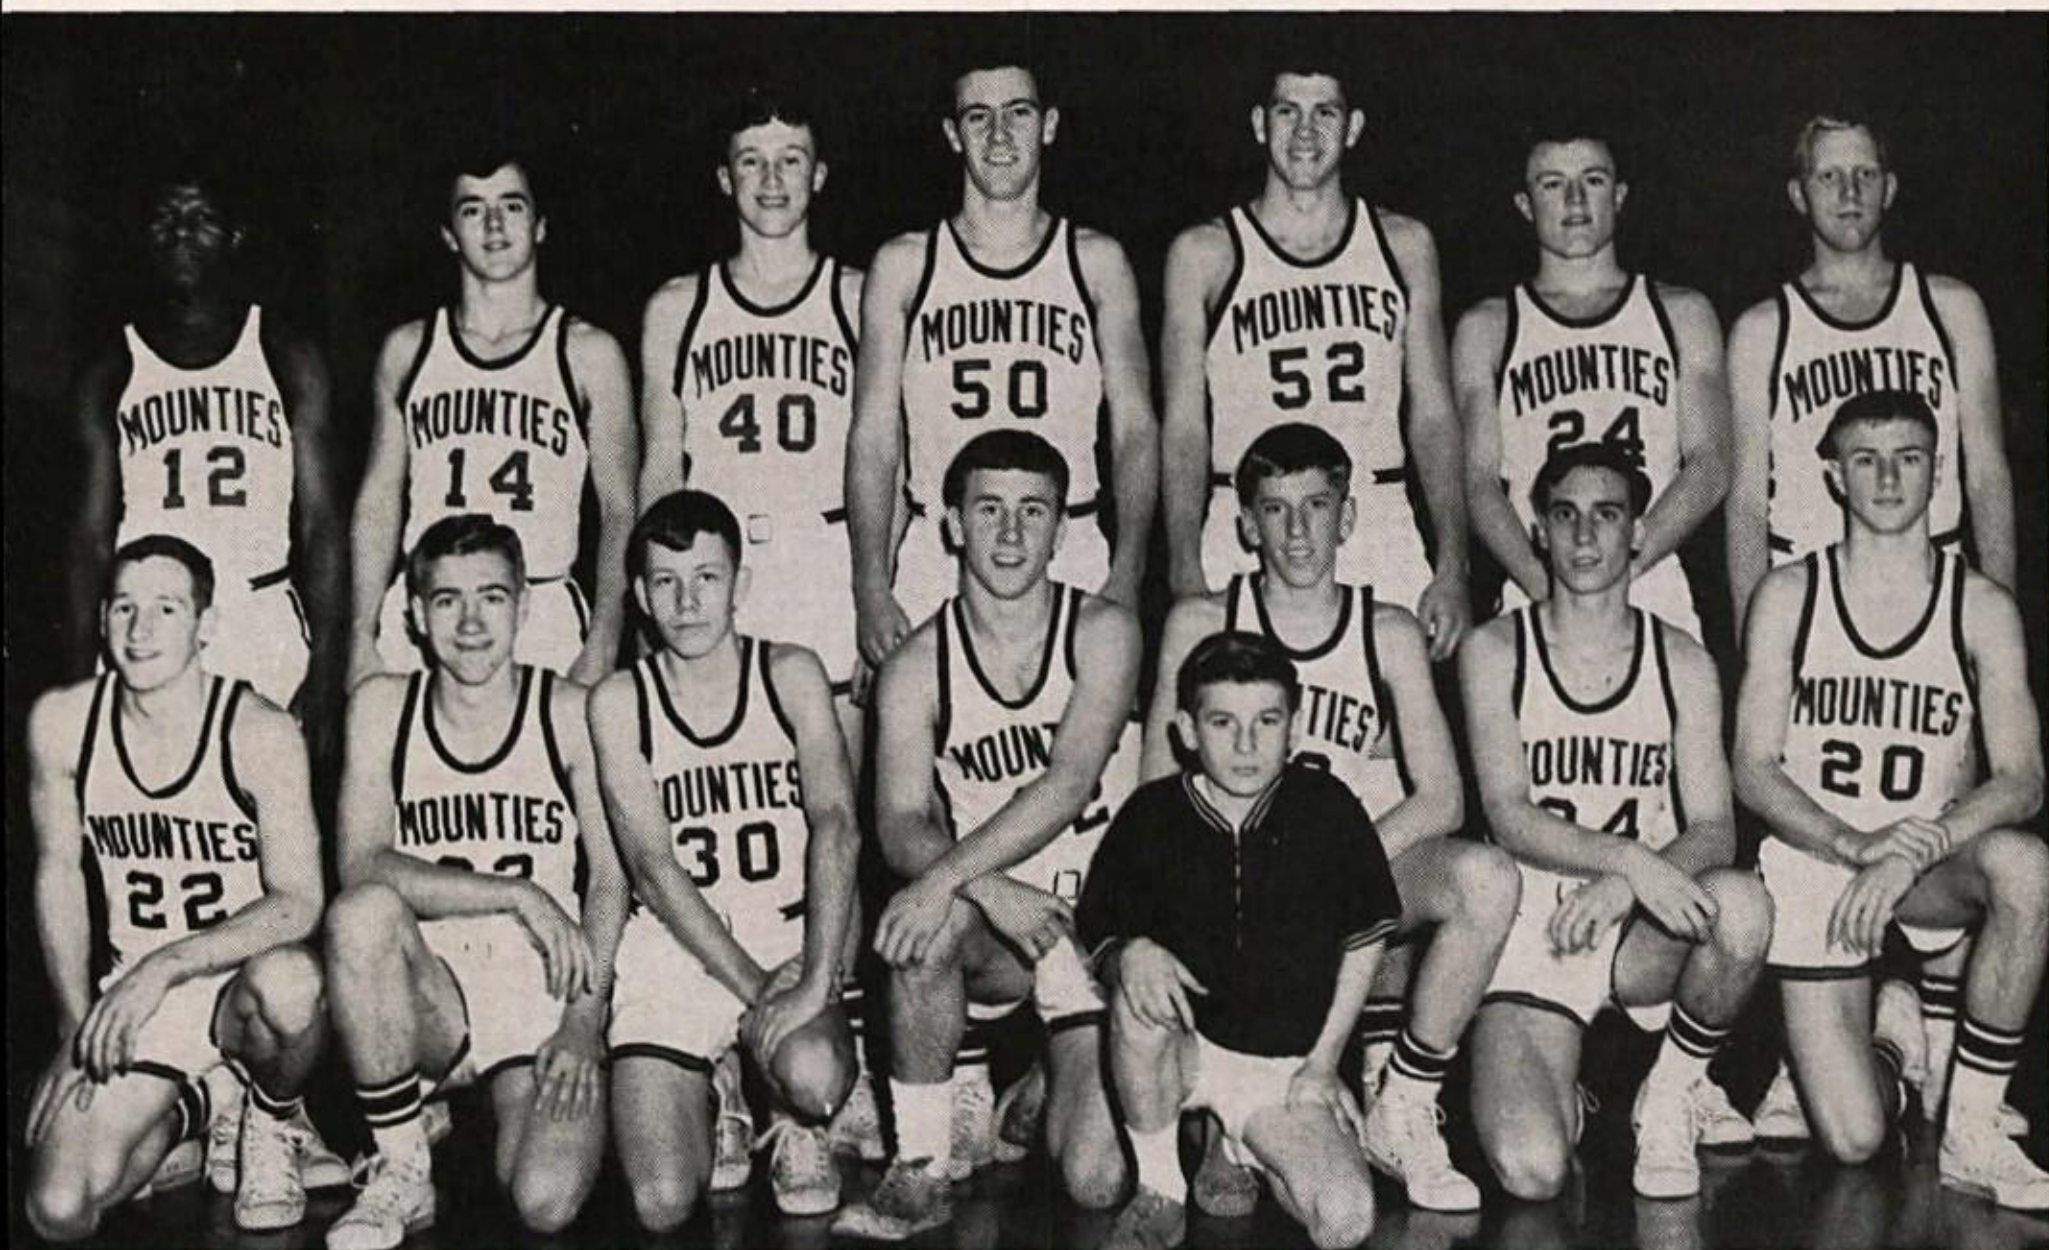

Robert "Bo" Sankey will be remembered as one of the most outstanding football players ever to have graduated from Philipsburg-Osceola High School. During his three year career as a varsity halfback he won the admiration of Mountie fans with his long touchdown jaunts, excellent blocking, and fine defensive play. Bo's teammates recognized his leadership ability and elected him team captain for the 1964-65 foot-

ball campaign. He in turn led them to a successful 6-3-1 season. Opposing coaches demonstrated their respect for him by often gearing their defenses to stop his break-away running. Not to be outdone by fans, teammates and coaches in according plaudits to "Bo" for his playing, sportswriters voted him District Player of the year, First Team Central Counties All Star, and Second Team UPI All State.
